

Chili Pepper's Tanning & Wellness

The team at Chili Pepper's Tanning & Wellness believes in beauty that radiates from the inside out, making the salon the perfect destination for brides-to-be and their bridal parties. Beyond the renowned VersaSpa Pro, known for delivering an even, streak-free tan with a luxurious touch, Chili Pepper's also offers customized airbrush tanning applied by skilled technicians. Meanwhile, the state-of-the-art UV tanning beds are designed to mimic natural sunbathing, giving you the best tan possible.

Chili Pepper's now features a full array of comprehensive wellness services to enhance your natural beauty and well-being. These offerings include revolutionary and invigorating LED red light therapy; the serene, state-of-the-art Halo Sauna Max Spa and Tranquility Slim Pod; and rejuvenating facial and chair massages that provide a moment of calm amid the wedding planning bustle.

The team at Chili Pepper's goes beyond skin-deep to ensure you are ready for your special day, radiating confidence and well-being from head to toe. Visit the salon to start crafting your bespoke bridal experience today
